Ms. Abbie Hodgson  
Federal Election Commission  
Washington, DC 20463

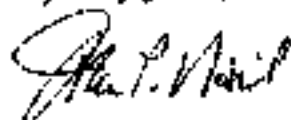

Dear Ms. Hodgson:

In response to your November 24, 2004 notice to RFPAC, a copy of which is enclosed, the PAC did not incur any administrative expenses during the period October 1, 2004 through October 13, 2004. The PAC has no employees, and my office does all administration and bills the PAC for our services. There were no charges billed or paid during the period of the report described above.

As to the error in reporting operating expenditures in the 12-Day Pre-General report, you have told me in our telephone conversation today that your notice in that respect is informational only and that we do not need to amend the report to correct that error. We will make every effort to report operating expenditures on the proper line in future reports.

Please let us know if you need any additional information.

Very truly yours,

John P. Nail, Treasurer
